WARRANTY LETTER

We, VARONA ENERGÍA S.L., manufacture and distributor of lighting and electrical equipment, with main address in C/ Valle de Tormes, 2 - Local 107, 28660 Madrid, Spain, hereby warrants that the products manufactured are merchantable and free from defects in material and workmanship and in conformity with our standard specifications.

Terms and conditions

Our exclusive remedy for a defective product that fails under normal commercial office use will be repair or replacement with a comparable product or component, free of charge.

All materials and components are covered by limited warranty of **3 years** from the date of purchase.

This warranty only applies when the Product is properly wired and installed, and operated and maintained in conditions, including environmental conditions (temperature, humidity) in accordance with the instructions contained in applicable Product Information Bulletin.

This warranty excludes defects or damage caused by any primary side (line voltage) power source problems including, but not limited to, unregulated power, short circuits or lightning induced power surges, under/over voltage/current conditions, operating outside specified temperature range, or storing the Product outside the specified temperature range.]

The warranty excludes defects resulting from acts of fire, vandalism, or civil disturbance.

This warranty does not apply to any abnormal use or use in violation of any applicable standard, code or instructions for use.

This warranty will not apply in the event of conditions demonstrating abnormal use or stress, including but not limited to:

- Operating temperature outside the specified temperature range in the Product Information Bulletin
- Storing the product outside the specified temperature range in the Product Information Bulletin

This warranty does not cover equipment, systems or components from other manufacturers that the Purchaser uses in conjunction with the Product. Any repair, alteration or modification of the Product, including replacement of Product components with components of other manufacturers will void the warranty in its entirety. The warranty shall not apply to products used for rental or hire purchase purposes.

The warranty shall not apply to any damage caused from shipment by any persons not authorized by us.

No products will be accepted for return without prior approval. We shall have the right to inspect any products claimed as a defective product at the buyer's premises, or require the buyer to return the product to us for inspection at our premises.

Procedure

To obtain coverage under this warranty, purchaser must ask, complete and deliver to info@varona.tech a warranty registration form within 30 days of installation.

Commitment

The present Letter of Warranty will be applicable from January, 2006 and will be valid for all lighting and electric equipment commercialized by VARONA, manufactured after that date, and will remained valid until new update.
